

PROTECTING YOUR PET WITH HEALTH INSURANCE

Animal Medical Center is a full service hospital specializing in preventive health care for your pets. We provide ongoing care for all pets' needs from early stages well into their senior years.

We are a progressive care hospital offering the latest in technology and medical advancements. Our Doctors perform sophisticated procedures that are almost identical to anything your medical doctor can do. But better care for your pet means higher veterinary costs. Veterinary bills over \$1,000 are no longer unusual.

Did you know?

The average surgical cost for a pet is over \$600 and the average routine visit costs over \$200.

What is pet health insurance?

Pet Health insurance helps you pay your veterinary bills for your dogs and your cats.

What does it cover?

With pet health insurance, you can protect your pets in case of accident, illness, or routine preventive care, like dental cleanings and vaccinations.

Why do I need insurance?

Veterinarians perform sophisticated procedures that are almost identical to anything your medical doctor can do. But, better care for your pet means higher veterinary costs. The costs of certain unexpected treatments like surgery and chemotherapy. With health pet insurance you'll have the financial support you need to keep your pets healthy-or even save their lives.

Facts:

- Approximately \$12 billion or 1/3 of all annual pet expenses are spent on veterinary care each year in the US. Packaged Facts, Us Market For Pet Care Services, 2004
